

Stella Garlick

Ms. Stella Garlick is Vice-President of Administration and Compliance for Martinsburg College and has been involved with the Distance Education Accrediting Commission (DEAC) since 2009. Prior to this, she was the institutional liaison to the Accrediting Council for Continuing Education and Training (ACCET) since 1989. She has been responsible for leading the institutional re-accreditation process and have served as an evaluator on numerous accreditation site visits.

Her professional life has been centered on education, initially as a public school teacher, followed by community college instruction. Since transitioning to institutional administration in 1989, she has held a diverse set of responsibilities, in a variety of settings, including placement, student services, educational management, franchise operations, and compliance. Ms. Garlick earned a Bachelor of Arts in American Studies (concentration in Politics and History) from the University of Kent/University of Southern California and received her Post Graduate Certificate in Education from the University of Sussex.
