

Dr. Susanne Thompson

Dr. Thompson is an innovative leader with over 20 years of experience in both K-12 and higher education. Currently serving as President of Moreland University, Dr. Thompson drives the organization's mission to expand global teacher preparation and retention solutions, emphasizing transparency, performance, and organizational health. Her extensive background includes senior leadership roles at Discovery Inc., where she pioneered business development and product strategies for online and hybrid learning models, and her tenure as a Superintendent of Schools, where she led comprehensive organizational improvements, large-scale construction projects, and community engagement initiatives. Dr. Thompson holds an Ed.D. in Educational Leadership from the University of Phoenix and advanced certifications in organizational leadership and principal preparation. Her academic credentials also include a B.A. in Humanities and Education, along with an M.Ed. in Elementary Education.
